

Paban Jyoti Borah

JAVA DEVELOPER / PYTHON DEVELOPER / WEB DEVELOPER

ABOUT ME

I like coding and developing software solutions. It doesn't feel like work and coding has always been a passion.

SKILLS

• Coding

- Python
- HTML
- CSS
- Java
- Java-Script

• Softwares & Tools

- MySQL
- MS Excel
- LATEX
- Google Cloud
- VS Code
- MS Word
- Photoshop
- Heroku

• Operating Systems

- Windows
- Linux

PROJECTS

• API for Image Classification

paban.page.link/Rdse

A simple yet flexible web tool to compare different pretrained AI models using PyTorch. Written in Python using Flask web-framework.

• Newspaper Scrapper

paban.page.link/LP53

A python scrapper to download newspapers from Assam Tribune News Portal.

• Assignment Synchronizer

paban.page.link/FGYB

A powerful automated file synchronizer script built on rClone using powershell to synchronise assignments with Google Drive.

INTERNSHIPS / TRAININGS

• [TechnoServe India Foundation](#)

May 2022 – Present

TRAINEE

- Being trained in core Java development, Java Database Connectivity API.
- Working on projects of full-stack web development with Spring Boot framework.
- Being trained in various soft skills for corporate jobs.

• [IIT, Guwahati](#)

MACHINE LEARNING – INTERN

Jan 2022 – Jul 2021

- Developed an AI model to generate caption for images in Assamese.
- Gathered data and curated a dataset of more than thirty thousand images.
- Led a team of five interns, helping them with their project work, study and coding.
- Managed team with good team playing strategies and situational awareness.

WEB DEVELOPMENT – INTERN

Jul 2021 – Dec 2022

- Made front-end as well as back-end for an Image Captioning web-app.
- Worked with Python-Flask web framework and developed an API using it.

EDUCATION

• Master of Computer Application

79.9%

Assam Engineering College, Jalukbari

Aug 2022

• Bachelor of Science in Physics

63.0%

Kaliabor College, Assam

Jun 2018

• Higher Secondary, Science

62.3%

Kaliabor College, Assam

Jul 2015

• High School

82.3%

Sishu Bidyapith : Kuwaritol, Assam

May 2013

CERTIFICATES / ACHIEVEMENTS

- ✓ Completed a training workshop on 3D-printing machine (2021)
- ✓ Volunteered in a national conference of Physics Academy of North East (2018)
- ✓ Ranked first in state level science exam (2012)
